Disclaimer of Guarantee

Your report will include information on college-based academic scholarships for which you meet the minimum criteria, within the states that you selected. Because all decisions about scholarship awards are made by the individual colleges, there is no guarantee of the number of scholarships for which you may actually qualify. The listing of a college in your report does not imply that you meet the admission criteria for that college. The data in your report is provided by the individual colleges and CFS is not responsible for inaccuracies. Each college reserves the right to change at any time their admissions and scholarships deadlines and criteria.

I have read, understand, and agree to the above paragraph.
